

**CITY OF COLLEGE STATION
COMMUNITY DEVELOPMENT**

March 5, 2003

Effective from this date, homes that were built in 1978 or before will be considered for Down Payment Assistance. The potential owner **(at buyers' expense)** will provide our office with a Lead Hazard Screen or Risk Assessment Report from a state certified Lead-Based Paint Risk Assessor, showing the absence of lead based paint hazards.

Houses built after 1978 are exempt from this requirement.

Gregg Lancaster
Housing Analyst

**Before bringing in your application for DownPayment Assistance,
please use the following checklist:**

☐

Completed 3-page application with all appropriate signatures.

☐

Completed and signed Verification of Employment forms and copy of pay stubs for past two months for each source of employment/income.

☐

Copies of all drivers' licenses.

☐

Copies of social security cards (front & back) for all household members.

All 4 items listed above need to be returned to our office together.
